

## **MESHIT TRADE**

**Connecting Dots in Global Trade**

A specialized merchant exporter based in Mumbai with a wide variety of products.

# Who We Are

Leading Merchant Exporter with Extensive Experience and Expertise

MESHIT TRADE is a **specialized merchant exporter** based in Mumbai, India. It's an export arm of MESHIT3D which is a firm having vast experience in Supply chain management, Software consultancy and 3D Printing. We have a network of certified manufacturers from where we source our products and work with efficient logistic partners. We are joined by trade industry experts having deep experience in global trade. We are registered with Indian authorities like FSSAI, APEDA. Our commitment to quality, transparency and client satisfaction sets us apart in the global marketplace.

### **Agricultural Products**

Fresh and Quality Goods

MESHIT TRADE specializes in exporting a variety of fresh fruits and vegetables that are sorted, graded, scientifically packed and stored. We also offer include millet grains, khapli wheat, flours, ready-to-eat and ready-to-cook millet products, cold pressed oils and super foods like Moringa powder, different varieties of natural honey, Spirulina, among others.

### **Engineering Spares**

Reliable Parts and Components

Exhaustive list of spare parts of cotton ginning machines. We source these parts from authorized manufacturers of Bajaj jumbo machines.

### **Wellness Products**

Healthier Living Solutions

In the realm of wellness, MESHIT TRADE provides a range of natural wellness products. These include herbal supplements, organic cosmetics, and essential oils that promote healthy living. We prioritize sustainability and sourcing from ethical suppliers, ensuring our clients receive the best options available.

### **Ready-made Garments**

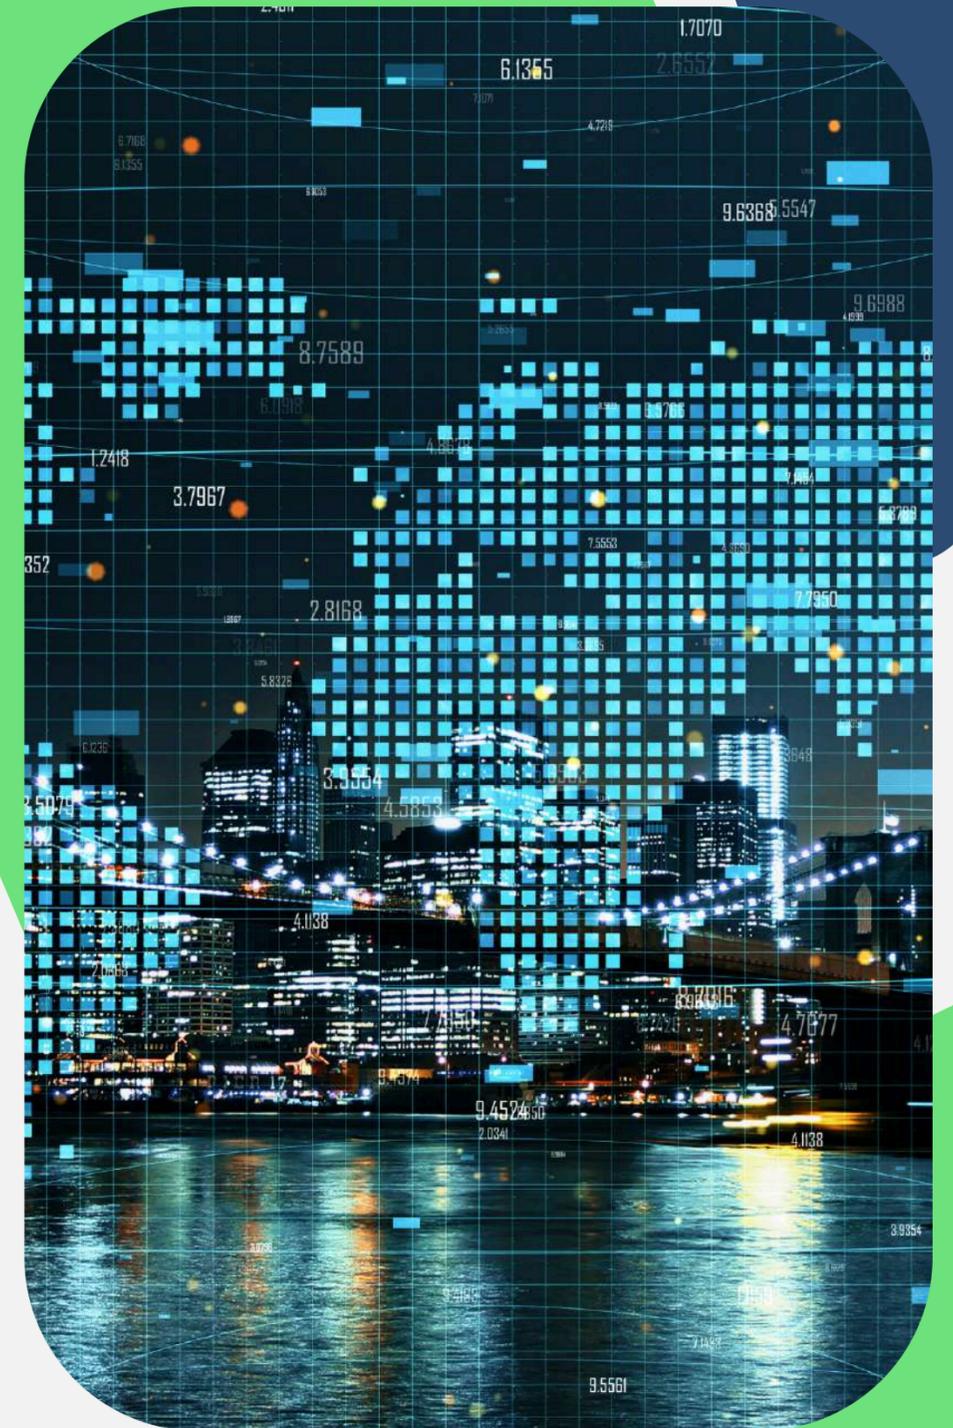

Trendy and customizable

We export fashionable garments consisting of tshirts (round neck, V neck), Polo tshirts, tank tops, jackets for men and women. We can customize the style, cuts, tags, images as well. We partner with textile manufacturers who work with ethical practices.

# Why Choose MESHIT TRADE

Your partner in **sustainable and efficient** global trade solutions

At MESHIT TRADE, we prioritize **direct sourcing** to ensure quality. Our **flexible MOQs** adapt to diverse needs, while our **transparent pricing** builds trust. We facilitate **global shipping** to reach international markets efficiently, all while adhering to sustainable practices that support our planet's health. Partner with us for a seamless trade experience.
